Head outside and have a look, put your observations to work, and design a banner that highlights our beautiful BUGS. We can't wait to see what you create!

Upon Selection

If your design is chosen by the selection committee, you will be contacted to schedule a date to paint your banner at the SBMA studio.

To transfer your design onto the banner, the design is projected and then traced with charcoal. This is usually done prior to the day you are scheduled to paint. The transfer process is done by SBMA.

The banner must be painted on both sides. All painting materials are supplied.

We recommend a commitment of at least two full sessions to complete one banner.
